HOW GREEN FINANCING WORKS

Choose Your Solar System or EV → Select the solution that fits your needs and contact Sky Energy Africa for quote

We send quote to the bank and apply for Green Financing from National Bank → Enjoy flexible payment plans

Once approved, installation is done.

WHY SWITCH TO GREEN ENERGY?

- ✓ Reduce electricity and fuel costs
- ✓ Minimize carbon footprint
- ✓ Gain energy independence
- ✓ Enjoy low-interest financing options

Start Saving – Lower electricity bills and zero fuel costs.
